Summary of FY 1999 Payments to Local Governments .....	175

# **Tax Rates and Distribution Formulas**

The following are descriptions of the taxes disbursed by the Illinois Department of Revenue to local governments and taxing bodies. Motor fuel tax is disbursed by the Illinois Department of Transportation.

## **Pull tabs and jar games tax and license fees**

Revenues received from the operator license fees and the 5 percent tax on gross proceeds of pull tabs and jar games are divided equally between the Common School Fund and the Illinois Gaming Law Enforcement (IGLE) Fund. Two-thirds of the amount deposited into the IGLE Fund is appropriated to the Department of Revenue, the Department of the State Police, and the Office of the Attorney General. The remaining one-third is distributed for law enforcement purposes to municipalities and counties in proportion to the number of licenses issued in each municipality or county.

## **Charitable games tax and license fees**

Revenues received from the operator license fees and the 3 percent tax on gross proceeds of charitable games are deposited into the Illinois Gaming Law Enforcement (IGLE) Fund. Two-thirds of the amount deposited into the IGLE Fund is appropriated to the Department of Revenue, the Department of the State Police, and the Office of the Attorney General. The remaining one-third is distributed for law enforcement purposes to municipalities and counties in proportion to the number of licenses issued in each municipality or county.

## **Replacement taxes**

Replacement taxes are imposed on

- the income of corporations at the rate of 2.5 percent;
- the income of partnerships, trusts, and S corporations at the rate of 1.5 percent;
- the invested capital of gas utilities and electric cooperatives at the rate of 0.8 percent;
- the gross receipts of telecommunications utilities at the rate of 0.5 percent; and
- the delivered kilowatt-hours of electric utilities (other than cooperatives) at a rate determined by a seven-tiered rate schedule.

The formula for distributing collections is as follows:

- 51.65 percent is allocated to local governments in Cook County based on their share of 1976 replacement tax collections.
- 48.35 percent is allocated to downstate local governments based on their share of 1977 replacement tax collections.

## **Individual and corporate income tax**

The Illinois income tax rate is 3 percent for individuals, trusts, and estates and 4.8 percent for corporations. One-tenth of the net collections (gross collections minus refunds) is distributed to municipal and county governments in proportion to their population as compared to the total state population.

## **County supplemental tax**

This tax represents the counties' 0.25 percent share of the state sales tax. Disbursement to county governments is based on all sales that occur within each given county. Cook County's share is distributed to the Regional Transportation Authority (RTA).

## **Automobile renting occupation and use tax**

Counties, municipalities, the Regional Transportation Authority (RTA), the Metro-East Mass Transit District (MED), and the Metropolitan Pier and Exposition Authority (MPEA) are allowed to impose occupation and use taxes on automobile rentals. Municipal and county taxes may not exceed 1 percent of the rental price. The RTA and MED rates may not exceed 1 percent in Cook County or 0.25 percent in DuPage, Kane, Lake, McHenry, Will, Madison, or St. Clair counties. The MPEA rate is 6 percent. Not all local governments impose an automobile renting tax. The department collects this tax and remits payment monthly to the municipalities and counties where the rentals took place.

## **Motor fuel tax**

The motor fuel tax rates are 19 cents per gallon on motor fuel and 21.5 cents per gallon on diesel fuel. This tax is disbursed by the Illinois Department of Transportation.

For further information, write to the Illinois Department of Transportation at the address below.

BUREAU OF LOCAL ROADS AND STREETS (RM 205)  
ILLINOIS DEPARTMENT OF TRANSPORTATION  
2300 S DIRKSEN PKWY  
SPRINGFIELD IL 62703

## **County motor fuel tax**

DuPage, Kane, and McHenry counties may impose a county motor fuel tax on the retail sale of motor fuel at a rate not to exceed 4 cents per gallon. DuPage and McHenry counties impose the tax at the maximum rate, while Kane County imposes the tax at 2 cents per gallon. Collections are distributed monthly to the three counties imposing the tax.

## **Hotel taxes**

- Under the Illinois Municipal Code, Chicago imposes a tax of 1 percent of 99 percent on gross rental receipts from hotel operators in Chicago. The department collects this tax and remits payment monthly to the city of Chicago.
- The Illinois Sports Facility Authority imposes a tax of 2 percent of 98 percent on gross receipts from hotel operators in Chicago. The department collects this tax and remits payment monthly to the authority.
- The Metropolitan Pier and Exposition Authority (MPEA) imposes a 2.5 percent tax on the gross receipts from hotel operators within the city of Chicago. Collections are certified to the state treasurer for distribution to the MPEA to pay for the expansion of McCormick Place in Chicago.

## **Sales tax**

The statewide sales tax rate is 6.25 percent for general merchandise and 1 percent for qualifying foods, drugs, and medical appliances\*. For general merchandise, the 6.25 percent rate is comprised of 5 percent for state government and 1.25 percent for local governments. For qualifying food, drugs, and medical appliances\*, the 1 percent rate provides revenue for local governments only.

\*See 86 Ill. Adm. Code 130.310.

## **Sales tax distributions to local governments**

Sales tax collections are allocated among state and local governments. The state treasury receives 80 percent of collections from the basic 6.25 percent sales tax (*i.e.*, the collections based on the 5 percent state rate) that is in effect everywhere in Illinois. Local governments receive the remaining 20 percent (*i.e.*, the collections based on the 1.25 percent local rate).

From the state's 80 percent share:

- The Build Illinois Fund receives 5.55 percent to retire bonds. Local governments indirectly receive sales tax revenues through programs financed by the Build Illinois Program.
- An allocation of 0.4 percent (referred to as photoprocessing) is distributed to all local governments based on population.
- 0.27 percent is deposited into the Illinois Tax Increment Fund and allocated to local government tax increment financing (TIF) districts.
- The remaining amount is deposited in the state's general funds. Subsequent transfers to other funds for the benefit of local governments include:
  - 1.7 percent of the state's share of sales tax is deposited into the Motor Fuel Tax Fund, of which 70.6 percent is allocated to local governments;
  - a transfer of state sales tax collections to the Public Transportation Fund, equal to 25 percent of the revenues derived from the Regional Transportation Authority's locally imposed taxes; and
  - two thirty-seconds of state sales tax revenues collected from counties and municipalities is transferred to two funds: collections from sales within the boundaries of downstate mass transit districts are transferred to the Downstate Public Transportation Fund; collections from sales within the boundaries of the Metro-East Mass Transit District (MED) are transferred to the Metro-East Mass Transit District Fund.

## **Sales tax distributions of the local portion**

From the local governments' 20 percent share:

- Municipalities receive the equivalent of 1 percent of state sales tax on general merchandise and qualifying food, drugs, and medical appliances\* sold within their incorporated boundaries.
- Counties receive the equivalent of 1 percent of state sales tax on general merchandise and qualifying food, drugs, and medical appliances\* sold within their unincorporated areas. Counties also receive the equivalent of 0.25 percent of state sales tax on general merchandise sold anywhere in the county, with the exception of Cook County, where the 0.25 percent goes to the Regional Transportation Authority (RTA).
- Municipalities receive the equivalent of 1 percent of sales (use) tax on out-of-state purchases of titled or registered general merchandise for which the title or registration address of record is within their boundaries.
- Counties receive the equivalent of 1 percent of sales (use) tax on out-of-state purchases of titled or registered general merchandise for which the title or registration address of record is within their unincorporated areas. Counties also receive the equivalent of 0.25 percent of sales (use) tax on out-of-state purchases of titled or registered general merchandise for which the title or registration address of record is within their boundaries. Cook County's share is disbursed to the Regional Transportation Authority (RTA).

\*See 86 Ill. Adm. Code 130.310.

- Municipalities and counties also receive a portion of those sales (use) taxes imposed on out-of-state purchases. The 1.25 percent of state sales tax on general merchandise (excluding titled or registered general merchandise) and the 1 percent of state sales tax on qualifying food, drugs, and medical appliances\* is deposited in the State and Local Sales Tax Reform Fund. Distributions from this fund are made in the following order:
  - 20 percent to Chicago,
  - 10 percent to the Regional Transportation Authority (RTA),
  - 0.6 percent to the Metro-East Mass Transit District (MED),
  - \$3,150,000 to the Build Illinois Fund, and
  - the remainder to the Local Government Distributive Fund (allocated based on population).
- All home rule sales tax collections are distributed monthly to municipalities imposing the home rule sales tax based on sales occurring in each municipality and county.
- The Regional Transportation Authority (RTA) receives distributions from the 0.75 percent sales tax on general merchandise in Cook County and the 0.25 percent sales tax on general merchandise in DuPage, Kane, Lake, McHenry, and Will counties. The RTA also receives the 1 percent sales tax on qualifying food, drugs, and medical appliances\* in Cook County and the 0.25 percent sales tax on qualifying food, drugs, and medical appliances\* in DuPage, Kane, Lake, McHenry, and Will counties. In addition, the RTA receives the equivalent of 0.25 percent of state sales tax on general merchandise in Cook County. The department collects these taxes and distributes them monthly to the RTA based on the dollar volume of sales occurring within the district boundaries.
- The Metro-East Mass Transit District (MED) receives the 0.25 percent sales tax on all retail sales made in Madison County and sales of titled or registered general merchandise in St. Clair County. The MED also receives distributions from the 0.75 percent sales tax on sales of qualifying food, drugs, and medical appliances\* and general merchandise that is not titled or registered for sales made in St. Clair County. The department collects the taxes and distributes them monthly to the MED (separate distributions for Madison and St. Clair counties) based on the dollar volume of sales occurring within the district boundaries.
- The county water commission tax of 0.25 percent is imposed on sales of general merchandise within the County Water Commission boundaries. The department collects the taxes and distributes them monthly to the County Water Commission.

\*See 86 Ill. Adm. Code 130.310.

# Explanation of Parts 1 and 2

Parts 1 and 2 of this publication contain detailed information about a variety of disbursements within each county and municipality. Please note that disbursements are made from July 1998 through June 1999 unless otherwise stated and the total of warrants authorized does **not** include any hand warrants or substitute warrants that were issued to local governments during this period. Definitions of the column headings in Parts 1 and 2 follow:

**Column A - County or Municipality/County** — This column reflects the name of the 1) county or 2) municipality and county (or counties) in which a local government is located. For the purposes of this report, in Part 2 where municipalities are shown to be located in more than one county, the figures shown in Columns C through P reflect the taxes disbursed for the entire municipality.

**Column B - Population** — This column reflects the official 1990 census figure, furnished and updated by the United States Census Bureau.

**Column C - Pull tabs** — This column reflects the total dollar amount in warrants authorized by the department for disbursements made in September to local governments for their share of the distribution of revenue generated by pull tabs and jar games.

**Column D - Charit. games** — This column reflects the total dollar amount in warrants authorized by the department for disbursements made in September to local governments (where charitable games have been held) for their share of the distribution.

**Column E - RT** — This column reflects the total dollar amount in warrants authorized by the department for disbursements to local governments from July through May for their share of the replacement tax.

**Column F - TIF** — This column reflects the total dollar amount in warrants authorized by the department for quarterly disbursements to municipalities with tax increment financing districts in July, November, January, and April.

**Column G - Income tax** — This column reflects the total dollar amount in warrants authorized by the department for disbursements to local governments for their share of income tax.

**Column H - Photo** — This column reflects the total dollar amount in warrants authorized by the department for disbursements to local governments from the state's share of sales tax known as photoprocessing.

**Column I - Local use** — This column reflects the total dollar amount in warrants authorized by the department for disbursements to local governments for their share of the local use tax.

**Column J - County MFT** — This column reflects the total dollar amount in warrants authorized by the department for disbursements to DuPage, Kane, and McHenry counties for county option motor fuel tax.

**Column K - Home rule/CTPS** — This column reflects the total dollar amount in warrants authorized by the department for disbursements to local governments with home rule sales tax **and** the advance payment issued to qualifying home rule municipalities. The amount disbursed from non-home rule sales tax imposed by the city of East Peoria is also shown in this column. In Part 1 (counties), the amount in this column represents disbursements from county public safety tax only, with the exception of Cook County, for which the amount represents disbursements from home rule sales tax; in Part 2 (municipalities), the amount in this column represents disbursements from home rule and non-home rule sales tax only.

**Column L - MT/CT** — This column reflects the total dollar amount in warrants authorized by the department for each municipality's or county's share of sales tax for its jurisdiction.

**Column M - County suppl.** — This column reflects the total dollar amount in warrants authorized by the department for disbursements to county governments for the 0.25 percent sales tax known as the county supplemental tax.

**Column N - ART** — This column reflects the total dollar amount in warrants authorized by the department for disbursements to local governments for the automobile renting tax.

**Column O - Motor fuel tax** — This column reflects the total dollar amount in warrants authorized by the department and distributed by the Illinois Department of Transportation to local governments for their share of the distribution of motor fuel tax.

**Column P - Grand total** — This column reflects the sum of the dollar amounts shown in Columns C through O for each local government.
